Stuart Gorton

Local lad Stuart Gorton could soon be bowling his way to gold at the Special Olympics World Games in Germany this coming June after being selected to play for the Australia Bocce team.

However, Stuart is no stranger to representing his country at this elite level. Over the past 15 years, this talented youngster has gained recognition and admiration within the Bocce community with prestigious titles already under his belt. These include representing Queensland at National Games four times, and representing Australia twice, once at the Asia Pacific Games in 2013 and again in Los Angeles at the Special Olympics World Games in 2015. Each time he has brought home gold medals.

When not representing his country and state, Stuart loves to pop down to the Gaythorne Bowls Club for a game of lawn bowls. He tells us this is a great way to get in some extra training for bocce and says the support he has received from this local bowls club has been phenomenal. He would like to thank the Gaythorne Bowls Club for their generosity and assistance.
